POST-MATCH COMMENTS:

WINSTON POMPEY – HEAD COACH, VICTORIA KINGS FC

"I don't think we played to our best despite being short a few players. We still performed, but not to our best. But better luck next time, tonight wasn't our night. We lost."

DEON RODNEY - ASSISTANT COACH, GUYANA POLICE FC

"We would've won 5 - 1 against Victoria Kings. I had expected us to beat Victoria Kings by more than five but because of the ground condition and bad lighting, we couldn't have. But once the place is dry, we'll be able to execute all that we have practiced against the next team. We are prepared to go ahead and win this competition."

HURBERT MC PHERSON - HEAD COACH, BUXTON UNITED FC

"I think the game was alright, you know in these conditions you can't get the best performance from the players but I think fitness and energy and power carried us through. We've been doing some work in the gym and that's what we need to continue doing so we can be stronger in these conditions. In these conditions you definitely have to be stronger. You need to have strength and power."
